Call For Papers

International Journal of Computer Science and Information Technology Research (IJCSITR)

The "International Journal of Computer Science and Information Technology Research" (IJCSITR) is pleased to announce a call for papers for Volume 6 - 2025. We invite researchers, academicians, and industry professionals to submit their original research articles, review papers, case studies, and technical reports.

IJCSITR is indexed in the following databases:

- **Google Scholar**
- **ResearchGate**
- **Scope Database**
- **Academia**

How to Submit?
Option 1: Visit [Online Submission](#) page

Option 2: Send your manuscript to editor@ijcsitr.com (or) ijcsitr@gmail.com

Scope of the Journal

IJCSITR is dedicated to publishing high-quality research that advances the fields of computer science and information technology. The journal covers a wide array of topics, including but not limited to:

- Artificial Intelligence and Machine Learning
- Data Science and Big Data
- Software Engineering
- Cybersecurity and Information Assurance
- Networking and Communications
- Computer Vision and Image Processing
- Human-Computer Interaction (HCI)
- Computational Theory and Algorithms
- Information Systems and Technology Management

- Emerging Technologies and Trends
- Robotics and Automation
- Health Informatics
- Education and E-Learning

For the full list of subject areas covered by the journal, kindly visit [here].

Submission Guidelines

1. **Manuscript Preparation**: Authors should prepare their manuscripts according to the journal's formatting guidelines, which can be found on the IJCSITR website.
2. **Originality**: Submissions must be original and not previously published or under consideration for publication elsewhere.
3. **Peer Review**: All submissions will undergo a rigorous peer-review process to ensure the publication of high-quality research.
4. **Submission Process**: Manuscripts should be submitted through the journal's online submission system here.

Why Publish with IJCSITR?

- **Wide Readership**: Reach a global audience of researchers, academicians, and industry professionals.
- **Rigorous Peer Review**: Ensure the publication of high-quality and impactful research.
- **Open Access**: Increase the visibility and accessibility of your work.

For more information about the journal and detailed submission guidelines, please visit our website.

We look forward to your valuable contributions to Volume 5, Issue 1 of IJCSITR.

Contact Us For any queries regarding the submission process, please contact the editorial office at editor@ijcsitr.com (or) ijcsitr@gmail.com.
